<p><b>DSV Standard Straight</b> BL-DSV-SS 2501010260 US \$260.0 Dive Surface Valve, simple on/off with lever, one handed actuation, can be switched R or L, user preference, incorporated HUD mount fixture.</p>	
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------

<p><b>DSV Straight with lock rings</b> BL-DSV-SSL 2501020300 US \$300.0 Dive Surface Valve with lock rings, simple on/off with lever, one handed actuation, can be switched R or L, user preference, incorporated HUD mount fixture.</p>	
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------

<p><b>DSV 120 degree conversion kit</b> BL-DSV-M120Kit 2501030100 US \$100.0 Conversion kit for Dive Surface Valve straight with lock rings to change angle between hoses to 120 degree</p>	
-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------

<p><b>DSV 120</b> BL-DSV-M120 2501040360 US \$360.0 Dive Surface Valve with lock rings and 120 degree between hoses angle, can be switched R or L, user preference, incorporated HUD mount fixture.</p>	
-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------

<p><b>DSV threaded straight adapter sets</b> BL-DSV-TSSet 2501060100 US \$100.0 DSV threaded straight adapter sets for DSV Mouthpiece Standard Straight</p>	
---------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------

<p><b>Hose Stub Elbows 90 with Lock Rings</b> BL-HC-90L 2501080100 US \$100.0 Hose Stub Elbows 90 degree (pair) with Lock Rings for 1.5" hose, POM</p>	
----------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------

<p><b>Hose Cap</b> BL-HC-CP 25010909 US \$9.0 Hose Cap for 1.5" adaptor, POM</p>	
------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------

<p><b>Adapter stub to scrubber lid male threads</b> BL-AD-ST 250110024 US \$24.0 Adapter stub to scrubber lid male threads NPT 1.5", POM</p>	
------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------

<p><b>DSV mushroom / flapper replacements 2pcs</b> BL-DSV-FL 25011104 US \$4.0 Silicone mushroom / flapper, 2 pcs one way valve, replacement part for Dive Surface Valve</p>	
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------

<p><b>Mouthpieces large bite</b> BL-DSV-LB 250112044 US \$4.4 Mouthpieces large bite</p>	
--------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------

<p><b>Mouthpiece Retaining Strap with Lip Seal</b> BL-DSV-MRSS 250115024 US \$24.0 Mouthpiece Retaining Strap with Silicone Lip Seal and silicone strap</p>	
---------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------

<p><b>Breathing hose 1.5" - 10"</b> BL-BH-1510 250116018 US \$18.0 EPDM hoses with 1.5" ID cuffs, stretch 30cm to 75cm (10.5" to 30").</p>	
----------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------

<p><b>Breathing Hose Clamps 1.5" ID POM</b> BL-BH-CL15 25011702 US \$2.0 Hose clamps, height:10.5mm, material:POM, locking with screws, suitable for locking diameter: 36-40mm.</p>	
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------

<p><b>RDI Counterlung</b> BL-CL-RD1 250118056 US \$56.0 Counter lungs are heavy duty reinforced PU, multiple SS grommet fixation points, 4L volume per lung, MSR style threaded port.</p>	
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------

<p><b>T-piece replacement o-rings - 224</b> BL-TP-OR224 25020102 US \$2.0 T-piece replacement o-rings - 224.</p>	
--------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------

<p><b>T-piece</b> BL-TP-T 2502020120 US \$120.0 T-piece, POM, with hose clamps</p>	
--------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------

<p><b>T-pieces Adj. OPRV</b> BL-TP-OPRV 2502030240 US \$240.0 Adjustable OPRV with protective exhaust screens, include baffle to direct water into counterlungs, supplied with required hose clamps.</p>	
------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------

<p><b>T-pieces ADV</b> BL-TP-ADV 2502040400 US \$400.0 ADV features reliable and time-tested WMD internals include baffle to direct water into counterlungs, supplied with required hose clamps.</p>	
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------

<p><b>Assembly screws for ADV</b> BL-TP-SR 2502050120 US \$2.0 Screws for fixing ADV to T-piece</p>	
-------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------

<p><b>ADV blanking plate</b> BL-TP-BP 25020609 US \$9.0 ADV blanking plate</p>	
----------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------

<p><b>Manual Addition Valves (MAV)</b> BL-TP-MAV 2502070140 US \$140.0 MAV blocks provide a centralized location for all gas routing, BC cartridge style buttons, 9/16-18 UNF ports, supplied with 3/8-24 UNF bushing adapters.</p>	
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------
